EXPERIENCE

TAMID KEYRUS DATA SCIENCE GROUP | FOUNDER, PRESIDENT

April, 2018 – Current | Medford, MA & NYC, NY

- Founded the first national data science organization for college students scheduled to expand nationally.
- Orchestrated a key partnership with Keyrus; spearheaded the creation of data science education curriculum and a mentorship program, while also resourcing data cases by establishing a separate partnership with Vistaprint.
- Spearheading the data science education seminars and leading data analysis consulting case projects for Vistaprint.

VISTAPRINT | ASSOCIATE PRODUCT OWNER & SWE INTERN

June, 2018 – August, 2018 | Waltham, MA

- Created the Enterprise Visibility Platform (EVP) now utilized extensively by all levels of employees at Vistaprint to evaluate, visualize, and report yearly enterprise goals, quarterly corporate goals, monthly increments
- Oversaw and managed the EVP product development process by closely working with the stakeholders, designing then developing a platform that best served the needs of the executive management, product owners, and developers.

NATIONAL CONSULTING BOARD OF TAMID | VP OF BI

January, 2018 – Current | Medford, MA

- Revamped TAMID's national consulting methodology by supporting the need for, then implementing a new feedback procedure and improved systems for supervising 150 simultaneous consulting projects
- 2200 members now receive feedback on and develop consulting skills from startup firms due to this initiative

ICON LABORATORY | RESEARCH ASSOCIATE

Feb, 2017 – Mar, 2018 | Integrative Cognitive Neuroscience Lab, Somerville, MA

- Formulated a research to pioneer the standardization of mind-wandering by mapping correlation through Variance Time Course Model data analysis by writing MATLAB and Python pipeline scripts
- Discovered a method of accurately determining a mind-wandering state; result of this research presented by Elizabeth Race, Ph.D, et al at the CNS2018 Boston (Cognitive Neuroscience Meeting Annual Conference)

TUFTS TAMID GROUP | DIRECTOR OF CONSULTING, PROJECT MANAGER

Nov, 2016 – May 2018 | Medford, MA

- Directed 6 independent consulting teams working with 6 startups for guidance and managed 2 consulting projects
- Lead weekly education seminars about the cornerstones of consulting expertise and various Harvard Business Review Case Studies; and organizing TAMID related events – e.g. Startup Nation Tech Fair & Pitch Competition

COFFEEHOUSE FOR A CAUSE | FOUNDER & DIRECTOR

Sep, 2014 – May, 2016 | Belmont, MA

- Solely established, directed town-wide annual charity event for the Greater Boston Area homeless community after seeing the lack of awareness and efforts from public schools of the local area
- The fundraiser has raised more than \$15,000 to this date and is now an annual tradition in the town of Belmont, MA
